WELCOME MESSAGE

Friends,

On behalf of the Organizing Committee of Aesthetica Asia 2017, we proudly present this 2nd edition of **"Aesthetica Asia 2017" from 26th to 29th October 2017 at Port Blair, The Andaman & Nicobar Islands.**

We are sure that the level of Technical Demonstration through **workshops, hands-on and master classes** will usher in a new generation of fellow dermatology practitioners with better understanding and skill enhancement in the field of Aesthetic Surgery and medicine.

Many International and National faculty have already confirmed their participation.

Faculties from other disciplines contributing to this field will also be a major attraction of the conference.

In 2016, the flagship conference that was held at Oberoi Grand, Kolkata was a grand success. 2017 will bring greater success to this conference with your active participation to fulfill our slogan **"Together We Learn"**.

The exotic beauty of The Andamans and its pristine beaches need no introduction. It is a major international tourist destination since many years.

The freedom struggle of India has a strong connection with this island. The cellular jail is inviting you to cross the "Kalapani" and to learn about this struggle.

You are thus, cordially invited to have an academic fiesta in the midst of this romantic environment at the **"Queen of Islands"** called The Andamans.
