President's Message

Jai Ho

The 7th Aesthetica Asia 2023 Conference will be held this year at presently the country's most happening place i.e. Varanasi and the meeting will be held in collaboration with The Department of Dermatology, Institute of Medical Sciences, Benaras Hindu University (BHU).

Along with mind shattering scientific interaction and newer updates in dermatology, we have incorporated an “Adhyatmic” participation tagged around the conference. There will be a “Vishwanath Darshan” of our Aesthetica group on VIP ticket (to facilitate time, energy & ease of darshan) and also a “Ganga Arti Cruise” in the evening from Ganga on Bajra (Launch) from which we can appreciate a running commentary on the history of the different ghats while passing by them.

There will be a spread of the famous chats and thandais of Varanasi the delectable taste of which we can enjoy during the cruise.

The star studded faculty with also next gen heroes will share their experience and discussions will be focused on newer aspect of management and also newer molecules.

You have to just come, learn and be soaked with “Academic & Adhyatmic Fragrance” and enjoy the blissful experience in one of the world’s oldest living city called “Varanasi”.

You are cordially invited to come and to enjoy.
